

2- God's Interpellation

I will give them the sign of Jonah and **I will challenge them as at Nineveh**. I will listen to their complaint but, without their return to God, this people will disappear, for at that moment they will have all the knowledge they need, and their choice will be decisive.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 120)

Called to My Sacred Cross, you will come because it is there that My Holy Heart wants to interrogate you.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 106)

You can lie, you can lie to *yourselves*, but you cannot hide; you can disappear from your houses, from your families, but never from My Sight, and never from My Heart.

You are the souls of My Soul,
The little flames of My Holy Spirit.

Your love must answer to My Love. Is it so hard to love Love, that I must languish while awaiting your call? You still have not answered Me and the hour is nigh. God must receive this confirmation from your whole being:

**"Do you accept Me as I love you?
Do you accept Me as Your Saviour?"**

My Cross continues its earthly pilgrimage; as when I travelled across My Earth, it is coming towards you to tell you:

**"Wake-up! Do you accept Me? Do you realize that your cure
is in Me? I saved you from eternal death; are you still going
to refuse to see Me, to understand and to love Me?"**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 197)

There are only two choices available to you. I will respect your decision, for I cannot decide for you. After having My Living Knowledge in you, you are masters of your choice:

**"Whoever is with Me is against the enemy,
Whoever is with the enemy is against Me."**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 223)

Now you know from whence you come and who you are. You must decide. What is your choice? What is your determination? I cannot choose for you.

What do you choose? My Light or the darkness?

Now, you know Me: I am the Light of the World, I am the Truth; and **you cannot temporize anymore.** (...)

To those, whose incomprehension is winning and who are not yet ready to follow Me, **I will grant a little time**, which time, I will utilize for this:

I am remaking My government
and Heaven and Earth will be one in My holy eternal Glory,
My new Earth and My new Heavens.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 138)

I do not want the death of the sinner. I want to help him. I am coming to abolish sin. But if man refuses to turn away from it for ever, then he will burn with his evil for you are all going to have to reply to My question:

"Do you love Me?"

You will not speak from both sides of your mouth at the same time, and you will reply, in truth only, *by a "Yes" or a "No"*. For My Truth will prevail right through this great interpellation of each soul:

**"That your "Yes" be "YES",
That your "No" be "NO!"**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 136)

Man must cross the torrent of the purification fire, so that he may become once again the man whom God created in His Image. Today, the signs of the Divine Presence on your Earth are numerous and they can all be seen. They are even **CONCRETE** and you continue to doubt and to go on without seeing anything.

My Signs are the Signs anticipated for the great conversion of all My people, whom I have blessed and who have turned away from My Holy Face; people who, for a long time, have been wandering in the night of indifference and disobedience of My Divine Call.

You must choose

Today, I am looking for you and I am calling upon you to follow Me for the times have arrived when you must choose:

"Either Me, Your God of Light, or the shadow of DARKNESS."

Become My children with a pure heart for whom God is waiting. God asks you to let yourselves be fashioned with a heart that responds to His Divine Heart. Commit yourselves to follow Him so to become His children of Light.

Everything has been placed at your disposal for you to renew, with your God, the face of the Earth. I will help you, I will be with all of you, with each of you who seek Me and desire Me.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1993, tome 1, pp. 134-135)

My child, I want you to know that My hour is near, that My Coming is **imminent** and that the world is not ready to receive His Saviour God. And yet, the hour is so close, that it can be said **there will be tears and lamentations everywhere, because they have not prepared for My Coming**. Their heart is a place of profound sadness, where God has no place, where man, oblivious, has built his own kingdom. They have made of their heart an

impregnable citadel, wherein reign **the god of money, the god of pleasure, the god of evil.**

Child, **warn them that it is very late**, but never too late to find My Way. They have no more time to go and inform themselves in places where they would hear about Me. They only have the time to go to God's church and **ask forgiveness** before the holy tabernacle, where I am waiting for them. To come to Me is already an act of love and repentance... and I will listen to them. My Holy Heart will lead them to the priest, who carries within him all that I have given him for their total conversion. They must repent with all their heart, they must eat the Bread of Life; they must follow My Holy Commandments.

I want to hear your heart open, for God hears the cracking of your hearts of stone, which tear open at My touch. (J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1993, tome 1, p. 245)

When the Flood happened, no one expected it and the waters swallowed up the bodies and the sins of these depraved men...

When My Justice comes, **souls will have to choose definitively between Good and Evil.** No one will be unaware that God, who was made Man, came to save the world by giving His Life on the Cross.

Each one must look at himself and understand... It will be so terrible that many, seeing their misery and depravity, will perish. But I will save those who will have suffered remorse and will have come to Me, the Christ.

(Françoise, *Jésus revient dans Sa Gloire*, Éditions Hovine, Belgique, 1997, p. 107)

My suffering will be revealed to Humanity... and understanding the horror and ugliness of his sin, man will beat his breast...

He will join with Me in My suffering,

He will join the Father in His outraged Glory,

He will join My Mother in Her transfixed motherhood. He will then suffer through the agony of the garden of Gethsemane. He will see his sin and carry its weight. It will be like My Agony of old that will pass through him. His agony will be lived according to his own sins.

(Lucie, *L'oeuvre accomplie de Dieu*, Éd. Téqui, Paris, 1998, p. 82)

No one will be caught short: after this vision of your souls, greatly distressed by sin, you will reflect on what God asks you, to be able to live with God your Creator, Redeemer and Consolation. You will be naked, as Adam and Eve in the garden of Eden; you will see yourselves naked, ashamed and repentant.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 70)

Man without God, where do you want to shelter yourself? Wherever you are, wherever you find yourself, I see you, I know you, and I know all your thoughts. Till when will you play with My Patience?

You tell Me, "I have time", No, you do not have anymore time to delay My Patience. I am telling you, "I am coming".

You do not have time to forget Me any longer. You have no more time to go back and make reparation for what you have done wrong or to do now what you have omitted to do. You only have the time to show Me that you want to change.

No ! I will not listen to your word; **I expect you to act**. I am looking at you and I am waiting for that which will appease My anger towards you.

Things of the past are not about to interest Me. **I now want to see your heart change, your ideas take shape.**

Then, I will forget your lapses and your shortcomings.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1993, tome 1, p. 218)

Children, if you choose to come back to the Father's House, **make your choice quickly**, for time will no longer allow you to reflect too long, **it's getting late**.

Fear your own judgement for it is you alone who will judge yourselves. You will see your life before you in broad daylight and you will see yourselves as you are, as in a mirror placed before you.

Are you still going to hesitate before saying, "YES" to Him who is coming, not to condemn you, but to seize you and pull you out of this mud into which you have slid? I am not the executioner. The executioner is yourself. The judge of the first judgement is man, for man will see himself as he is: ugly, heartless, narrow-minded, self-centred, and despotic. He will understand that he is the bad captain of his own ship, which is drifting and can break up on the rocks of evil. Then I will be there for I am always present.

Do not continue along this bad road: soon you will be in the DARKNESS.

Come to Me. I will lead you into the meadow of My Light and you will ask to penetrate further into My endless Light. Then man will become that which he should never have ceased to be, a Light of God, a child of the Light filled with God.

And then, the world will cover itself with the cloak of Light of the Glorious Christ. Thereafter, nothing bad will exist **for the darkness and the spirits of the darkness will be blinded forever**. The spiritual children will reign with God, victors of the flesh, victors of death, for the last enemy, **death, God will have destroyed it forever**.

I will give My Knowledge to those with pure hearts **for the TIME OF DARKNESS is coming**. It will become darker and darker **until it reaches the culminating point of the THREE DAYS**, as black as ink, where only My candles, My torches of the Divine Light will shine.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 224)

Because the Devil is nearly ready to show himself to you and to use all his perverse charm to win you over forever, today, I Am your Merciful God of Love, who comes to you. Look at Me!

It is a veil of high quality, of great distinction, which will tear before your eyes. For centuries, My Glorious Heaven has enabled it to resist by taking every necessary precaution and care in order to separate My Heaven from My Earth. This veil will rend itself; God will command it, it will split from top to bottom. This veil, woven from fine gold thread, was the only one that could still cover up the Mystery of Life. It is the Book of Life that My Father has given me the power to open. This valuable veil hides from you the Truth in all its power, and as long as it is not entirely unveiled, you are like naïve, oblivious children. The veil lifted, the veil torn, you can no longer hope to hide from My Sight, which will pursue you... I am opening the Book of Life and if you break the most important of My Commandments:

- The one who says to love God above all else, to serve Him with all your soul, with all your heart and with all your strength,
- and to love your brothers as God loves you, to serve them without judging them,

then, My Knowledge, revealed to all men, will make you, before My Holy Truth, conscious and responsible of the Good you will do as of the Evil you will bring to yourselves and to your brothers.

Here is My Holy Knowledge. The one you have been looking for since the beginning is in this open Book. It is there, revealed, naked, **and you are enlightened and responsible.**

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, pp. 136-137)

...No one will be able to say, " They do not know what they are doing ", because they will have My Light. Yes, all of you will have My Knowledge, for **I am Jesus the Merciful.**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 137)

Today, I want to tell you that the time has come when God, in His infinite Mercy, calls upon you to return to His Holy Heart. I will call you one by one; My Heart overflows with Mercy. Get ready: I want to give you a new heart, a new Spirit. I am coming to change the bitter hearts, the dry hearts, the revolted hearts. I redeemed you at a very high price! And still you cannot understand that God gives you His Love abundantly.

Children, love Me. I will give you My Divine Light for some time yet, so that in all knowledge, you may come back to Me. Jesus will welcome you like the prodigal son, by showering you with the treasures of His Grace. My Divine Light is a lighthouse that casts light on the dark corners of each soul. The one that denies Me will see this obscurity, which will freeze the heart: **this coldness is the solitude without God.**

With My Grace, I will relieve the despair and the hate which have damaged My cherished soul; then it will accept Me. **Do not reject Me. To refuse the Love of God is a bad choice and My ungrateful soul, on the raft of the shipwrecked, will forever move away from My Sacred Heart.**

At present you must hasten to choose between these two solutions:

To come back to your Lord, or to move away forever,
for the purification of the souls is coming soon.

My Holy Will will cover the entire Earth. I love you, but I want your love as of a child, freely obeying God.

Jesus desires your complete "YES"; a total "YES", with no restrictions. Jesus wants, once again, to rekindle the lukewarm, to rescue the icy hearts, but **make up your minds for time is running out.** I give you My Love in abundance. My Life, I have given it to you, it is within you. **Do not hesitate any longer; the times are grave, you are warned.**

Free yourselves from evil; renounce evil. I want to help you; quickly call My very Holy Mother, who will banish the evil, that prowls around the weak. Children, flee temptation! Do not fall in the nets of evil, **do not let yourselves be taken prisoners.**

Come and seek refuge in the Holy united Hearts of Jesus and Mary.

I call on the greatest number of souls to help Me in the conversion of all My sons.

Speak of this **Time of DARKNESS**, which is going to surprise those who have not prepared themselves by praying, by fasting, by the sacrament of Penitence and the Holy Eucharist. Jesus is calling you all; His Holy Heart overflows with Mercy and forewarns you that soon it will be too late; you will be completely confused and the enemy will play his last card.

By this message, you are all warned.

Jesus is the Light of the World, descended from Heaven for all of you. There is still time. **Come back to the Lord, but hurry.** With your lamp lighted, see that you do not lack the oil of your love for God and for your brothers, that the flame of your faith may always shine.

For Jesus, the Spouse of your souls, will come soon without telling you in advance the exact time. **I will come like a thief. Stay awake and pray for the time is nigh.**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, pp. 102-103)

All Humanity is on its way to the *Promised Land*. Oh! How I wish that no one remain behind, give up the journey or die on the way...

(Lucie, *L'oeuvre accomplie de Dieu*, Téqui, Paris, 1998, p. 70)

Children of this world, Jesus and Mary want to save you at all cost. I beg you to listen to our supplications and abandon evil, get away from Satan forever, and pray; pray from the heart as best you can and repent for having offended God.

Then I promise you that I will save you and will give you the happiness of living in the Sacred Heart of Jesus.

And I bless you in saying: **Hurry for Jesus is coming and He will do Justice.**

(The Virgen Mary in : Françoise, *Jésus revient dans Sa Gloire*, Hovine, Belgique, tome 1, 1997, p. 107)

Oh! man, who passes by your God without even feeling His sadness, will you come to throw yourself in My arms open wide in order to receive My Forgiveness? (...)

My Heart is the refuge open night and day,

Tell it to all ! It is time to think about it; it is time to repent. **After, there will be a time of hardships and it is getting late.**

God is, today, so near to you that if you were to give yourselves the trouble to listen to Him, you would hear His Heart CRY...

- For all those who no longer know how to cry,
- For all those who no longer know how to love,
- For all those who no longer know how to forgive.

Open your heart to The One who comes to bring dew to dry hearts. He comes to change your heart to a heart of flesh, from the Flesh of God.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, pp. 209-210)

Time is fast; it runs as in an hourglass. **Do not wait any longer to come back to Me for behold I come (...)**

Repent! I am waiting for you... a little while yet. Yes, My child, I lift up to Me all those who call Me and repent.

But the time on your clock has come, as the sand that flows in the hourglass, and the sand is almost all flowed down. There is hardly any left to pass through, even if I were to slow down its flow.

Not much time is left for you to get moving towards God.

The Holy Spirit is given to you in profusion. Even those, who have taken an enormous cover to cram on their heads, still feel the presence of My eternal Love around them.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 199)

If I were dealing with loving creatures, love, mercy would suffice. But I have before Me a great number, who understand an act of Justice better than anything else.

(Catalina, *La Grande Croisade de l'Amour*, Parvis, Suisse, 1999, p. 81)

Truly, I say to you that if you do not convert yourselves, you will experience the harshness of My Justice.

(Catalina, *La Grande Croisade de l'Amour*, Parvis, Suisse, 1999, p. 299)

Your indifference can be measured by looking at life on your ravaged Earth and *the mass murder of the Innocents*. You are living in a cocoon of pleasure, which, day after day, closes itself on you who are weaving it. You are all in the process of weaving the last thread, which will enclose you totally in your own darkness. **But here I am sending you the Sign of My Mercy** to make you reflect on the death of your planet and on your own death, which you are in the process of arranging *by depriving yourself of God's Love*. By rejecting Me, you are running towards disaster and it is your choice. **By denying Me, you are going to fall like puppets that no longer have any gravitational attraction, in this world that will have lost all its cosmic stability.**

This living sign will open your spirit;
It is still the work of My Merciful Love,
For this world is still living, thanks to My Love.

This process, that you, yourselves, have set in motion, will bring you, inevitably, to a catastrophe. Are you going to wake up? Are you going to find the right answer in the bottom of your hearts? Your hearts have never understood that they were born of My Holy Heart and that they must contain My Love in order to live and give life to your Earth, *which is the gift of God, offered to man*. Your Earth needs your love to live. Understand why it is dying; understand that My Love is Life and *that without My Love everything dies*.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 270)

Invite those who doubt and tell them, "God has said that if you continue to struggle against Him, you risk to set off the most horrible catastrophe that your Earth has ever known, has ever sustained"

For that would be unbearable.

Let them hurry. My time is whittling down, the time that I determined was needed to make Myself heard, and be listened to by those who had betrayed Me in disobeying Me.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 68)

My Hand can still pull you out of this gulf. Do you want it?

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 272)

Heaven is opening and My Mercy precedes My Holy Justice. Will Love yield its place to punishment?

As for Me, I know. But you, My poor children, you hardly concern yourselves at all.

The majority of you are deprived of heart and reason. Who are you to dare to defy your Lord and Master?

Your sarcasm only reaches yourselves beyond the affliction it causes your God.

Pray, for in truth I say to you, soon you will cry. My arms outstretched towards you are embracing but emptiness.

They will close themselves on emptiness because they will refuse to embrace your vanity and your sweating anguish.

You will come to Me in fear of your torment.

And I will refuse to receive you because your heart will only have been touched by fear and not by love.

Repentance erases the sin. Are you still able to repent and come to Me humble and submissive? (Marguerite, *Message de l'Amour Miséricordieux aux petites âmes*. Hovine, Belgique, 1973, p. 479)

The Lord will give a great Sign that man may convert himself, a Sign visible on all the Earth. After that, if man does not convert himself, there will be punishment, a great chastisement.

(Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, p. 70)

The enemy crouched in the shadows, waits to reap the spoils. He has no more need to intervene: the worm is in the fruit. Everything would be so simple, so simple.

It would be enough to love to strike down the adversary.

I will give signs of My power. And if they resist, that which they have forgotten will happen again. (Marguerite, *Message de l'Amour Miséricordieux aux petites âmes*, Hovine, Belgique, 1973, p. 397)

I do not want, in any way, the death of the sinner. But sin kills you by preventing you from seeing My Truth that is coming. God is Universal Goodness. Since the origin of the world, you have been warned of what could happen if you denied your Creator who loves you.

What will happen tomorrow without The One who is Life? The day of the Great Desolation is coming. *This day* approaches and I do not see that many doors, marked with the Blood of the Lamb without stain. (J.N.S.R., *Témoins de la Croix*, Guibert, France, 1993, tome 1, p. 220)

I am the Master of Life. I am the Master of History. I wished the best for each one of you. Your life, I have filled it with My Love. Today, it costs Me to tell you that your disobedience towards My Holy Commandments and My Law has distanced you from Me *and you risk even worse!*

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 361)

Do not reject Me for the Earth will tremble on its base. I am the Central Pivot, the Rock on which rests the Earth:

Nothing can remain without Me,

Nothing can live without Me,

Nothing can exist without Me.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 258)

This world can no longer live without God: it rejects the foreigner, the starving, the innocent, the sick, the elderly and the child to be born. Therefore, it will become, in Truth, a desert where nothing will grow. (J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 252)

I do not condemn anyone; it is you who condemn yourselves! I do not punish anyone; it is you who punish yourselves! You do everything by yourselves, my sons! You do, you undo; you love, you love not; you judge, you judge not; all independent in your "palaces". And I, your humble Servant, for your salvation, implore you to abandon yourselves to My protection. With trust, follow My Way, **for the hour is late and the time is near**.

My sons, you no longer know what you are doing! I speak to those who listen to Me. I speak, My sons, and **those who do not listen to My Word will see it in the events that their sins will provoke**. They are the sculptors of an evil that no man can destroy any more. Gold melted under Moses' flame, but the statue that you now have made for yourselves, only God can destroy it! (Gemma, *Me Voici Seigneur!* Parvis, Suisse, 1987, pp. 49-50)

Pray, do penance, repent now! You no longer have the time to say, "I have time". It is now that the entire Earth is in danger. Jonah's passage through Nineveh was rewarded. Convert yourselves and do penance. Be reconciled quickly with yourselves, with your brothers, with God. **The Reign of God is at your door**.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 367)

Despite My Warning, which will reverberate like the sound of a horn in the valley, many will not have understood anything! (J.N.S.R., *Témoins de la Croix*, Résiac, France, déc. 1997, tome 4, p. 323)

If the world does not convert itself, then, I will act otherwise.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 315)

To err is human: no one is exempt from it. But the pure soul comes back to Me after having sinned. The soul that nourishes vice and pride does not come back, **except when I destabilize it in order to make it aware of that which it is**.

(Françoise, *Jesus-Christ révèle aux siens ce qu'est la franc-maçonnerie*, Parvis, Suisse, 1998, p. 34)

My child, suffering is sometimes necessary in your life, for it comes **to awaken you from your comfort**.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 254)

I am good and I am equally just and in order to destroy the evil that prevails, I must "do harm" not by My own action, for God does no harm, but by allowing the evil which always comes from the Devil: sin generates the pain in the suffering and I will let that which the world has created come back on it. That is why this time of purification will be terrible, to the extent of what men have done to Me.

(Françoise, *Jésus revient dans Sa Gloire*, Hovine, Belgique, 1997, p. 156)

Only Divine Mercy will be able to work when the avalanche that they wanted will fall on these souls. Their suffering will be My Mercy, the last means that I will use to bring them back to Me. After...I will be there, but it will be too late. The one who will have refused Me will not remain before My Face.

(Françoise, *Jesus-Christ révèle aux siens ce qu'est la franc-maçonnerie*, Éditions du Parvis, Suisse, 1998, p. 69)

For the grace of desiring Love to remain in the soul, or to enter anew, the soul must be purified. Often it is the sufferings that, working thus, open the eyes of the hardened souls.

Why? Because in suffering, man is afraid and struggles against it: being no longer caught up in the turbulence of his own life, face to face with himself, he reflects and questions himself...

Then, My Grace works miracles.

I, Christ, do not desire suffering. It is a consequence of sin and is created by the soul, which does evil.

I, God made Man, use this suffering to save many souls. But be quite sure, little child, that God never sends suffering: He allows it because it is the evil man's freedom that attracts it. Suffering is the creation of Evil that hates men.

(Françoise, *Jésus revient dans Sa Gloire*, Éditions Hovine, Belgique, 1997, p. 311)

Know only that the men of this century will have to suffer greatly if they do not repent quickly.

(Françoise, *Jésus revient dans Sa Gloire*, Éditions Hovine, Belgique, 1997, p. 49)

By will or by force, you will have to come back to the Sign of the Redemption for that is part of God's plan.

(Lucie, *Le grand message de la Croix*, Téqui, Paris, 1991, p. 132)

Everything has come from sin and everything must retake Life through the pain of My Cross, which saves.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 75)

You will see Mercy go in step with Justice because they are one. Do not believe that one is far from the other, because Justice exercises Mercy for those who repent and convert themselves. But Mercy exercises Justice for those who do not purify themselves and want to obtain Mercy without conversion.

(Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, p. 34)

The Prodigal Son took some time before coming back to his father and he came back when he had squandered all his wealth.

(J.N.S.R., *Témoins de la Croix,-Actes des Apôtres 2*, Résiac, France, 1999, p. 103)

No one can take the place of God. All that men have accomplished by their own will until now, I have permitted them to do it. But today, if you do not become like innocent little children, pure and loving God above all else and your neighbour as your own brother in God, I will take everything away from you because everything comes from God.

(J.N.S.R., *Témoins de la Croix,-Actes des Apôtres 2*, Résiac, France, 1999, p. 98)

I will dispossess him of everything, for when he is naked, man realizes that he is alone and without God, then he calls Me for help.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 310)

In Truth, the human being is still at the embryonic stage. By that, I mean the majority of men, and as long as they do not feel completely abandoned, they will not cry for help. And so, I am waiting for the awakening of those embryonic souls, who have enclosed themselves in their cocoon of pleasure and material riches.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 300)

I speak to you from the top of the Cross from where I see you lowering your faces more and more in order to avoid looking at Me. It is of no use for Me to complain again, you are not listening to Me and you do not take pity on Me! Therefore, for you to look at Me, I will tell My Father, let the sun die out and the bowels of the earth tear apart in such a way that you have to say: truly He is our God!

I love you too much to let you lose yourselves in this way. I love you with all My Being and I prefer to see you suffer now rather than for eternity.

(Gemma, *Me Voici Seigneur!* Éditions du Parvis, Suisse, 1987, p. 129)

I am God and I am Man and **I know what suffering is; this one measures up to My Love to save you ALL.**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 40)

But why must they wait to be harmed and to suffer so much before coming back to Me, Jesus...

(Françoise, *Jésus revient dans Sa Gloire*, Éditions Hovine, Belgique, 1997, tome 1, p. 157)

I tell you again, this world has become Sodom and Gomorrah. And soon, if you receive the fallout from My Holy Anger, know that it is just and good, and that it cannot be otherwise. For My Fire of Love is a Purifier and mixed with the earth's fire, it becomes the final Great Purification.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 136)

I can remove from you Many torments to come, but it is impossible for Me not to let the coming events happen; you must live the Purification until the end. All will be lived with My support: everything that will be lived by the non-believers, who still resist me, as by all those who doubt My existence, and by those who seek My Truth.

The Truth, there is only one. I am the Truth. To live it you must believe in My infinite Mercy. The world must return to My Truth by going through the Purification of the body and the spirit.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 238)

I know, one by one, the souls that have made me suffer so much. I will still allow a time for repentance; this time will be sufficient to come back to God,

- Whoever you are,
- Whatever you have done.

I am your Unique God of Love and Mercy and, after the final note of the last trumpet, not having received your consent to come back to God in his great Forgiveness,

**I will let My Hand come down upon you,
for thus is accomplished the Will of the Most-High.
And I saw a New Earth and a New Heaven.**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 258)

Man prefers to go through the devastating fire rather than the Fire of Love. (...)

You will see yourselves abandoned as you have abandoned Me. Confronted by this fear, you will understand *that man is nothing without God.*

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 293)

You will live a time of anguish wherein Heaven will remind you that disorderliness leads to your downfall.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 375)

The downfall that man is preparing will be felt throughout the universe.

(J.N.S.R., *Témoins de la Croix, -Actes des Apôtres 2*, Résiac, France, 1999, p. 77)

Soon, you must drink of the cup of the final Redemption, even if it will be as bitter to drink as was the vinegar offered to Jesus on His Cross. You will go right to the end because it cannot be otherwise. (J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, Paris, 1994, vol. 2, p. 165)

After the « Hosanna » of Palm Sunday, came the terrible judgement of God by man. God was judged and God did not resist the hands of the enemy, who came to crown Him with thorns and to clothe Him in the cloak of the King of the Jews.

But now, the world crowns itself and clothes itself in a cloak of defamation and blasphemy against his Creator. This is why the doors of hell open to let pass the one who will be at the head of this cortege of diabolical hatred, its chief himself, the Devil, who has waited impatiently for this hour. But here he comes and all will shudder with fright. **I will let him act** because everything must be accomplished, but his reign will end quickly.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 298)

There will come a time when everything will become even more confused and the darkness will become denser in the world and in the minds. This, you will see and you will find out all together. And this will be the beginning of the greatest calamities that the Earth has known, for you do not want to submit to the Will of God.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 69)

I will let the enemy act in order that those, who are still undecided to follow him totally, come back to Me freely *in seeing the disaster brought about by the Evil One*. But those who have chosen definitely to follow him will be eternally the absentees in My Holy Heart.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 337)

Satan is unleashed... You are going to see the greatest outburst of fury in the History of the world, the History of man and of My Church and this concerns all peoples.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 260)

He wants the end of all Humanity and the death of your planet, that all God's creation to disappear, such is his motto, such is his ideal. Hell has opened its doors.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, déc. 1997, tome 4, p. 189)

His goal is to destroy God's creation, so to strike at the Heart of the Father Creator.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 337)

The Devil is launching his final assault to destroy
the greatest temple of all times:
The hearts of men filled with God. (...)

The last assault will be the most terrible and the most shattering. This will also be the most intense and the most awe-inspiring moment in this life and in the History of all times, for no era will have known such an APOTHEOSIS.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 1, p. 294)

At Dozulé I told you " the hour is grave, that Satan rules the world and seduces the minds, rendering them capable of destroying Humanity in a few minutes. **If man does not oppose it, I will let this happen** and it will be a catastrophe such as it has never been since the Flood and that, before the end of the century. All those who will have come to repent at the foot of the Glorious Cross will be saved. Satan will be destroyed. Only joy and peace will remain."

Thus comes this generation's universal cataclysm that I have announced to you. All this must come to pass. This universal change is near, such that there has not been since the beginning of the world until today, and that there will never be henceforth.

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, pp. 280-281)

What I give you to write at this very moment is of capital importance. This terrible truth must no longer be hidden... and yet the existence of this Message is still being hidden!

The moment is near when **God Himself will let the enemy act for man has refused My Hand**. The time has arrived when that, which you have kept veiled to the eyes of the world, will be discovered in a terrible crash and the world will stagger.

Adam's disobedience closed the door to My Kingdom until My Holy Death on the Cross. Today, your disobedience resembles that of My fallen angels: it becomes a betrayal of My Holy Mercy and is shaking the foundations of My glorious eternal Kingdom. You have not wanted to rely on My Holy Truth, which asked you to believe My warning:

"The world is on the edge of the abyss!"

(J.N.S.R., *Témoins de la Croix*, Résiac, France, 1997, tome 4, p. 259)

I will not retract that which was said at Dozulé. I ask you to believe it and tell the whole world, because I descended into this little region of France to have Myself announced and to save you from this imminent danger that man, controlled by the Devil, prepares with all that the enemy gives him: his maleficent power.

Today, is taking place the greatest battle of all time, from the ages that have gone before until this day: it is taking place in the visible as in the invisible. The world is on the edge of the abyss and no one is doing anything to avoid the greatest of catastrophes.

For time is like the blacksmith's hammer, it strikes non-stop until the glowing object is formed. Time continues to advance towards what you are all preparing together, men and all nations without God:

**Your own destruction, the crushing of all races,
and the annihilation of your planet!**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 101)

Man believed it was best not to listen, to take no notice, believing that all Humanity was not concerned by what I said in Dozulé. But here is the moment when what God has reserved for his unfaithful people will arrive.

Calamities will strike this generation, which continues to *scoff at God* and His Holy Law.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1996, tome 3, p. 100)

You are as in the time of Noah. You tell yourselves that this is only "idle talk" and that the world is always the same and will continue to be so.

But the world can no longer continue as such.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, p. 88)

I am speaking the same language of love, peace and joy, while putting you on guard against the great destruction that is drawing near.

It is as if everything is collapsing while all seems calm and then, without expecting it, man will have to face a new manifestation of Evil. God is giving you His Divine Light for these unbearable and inevitable times of darkness. If I am telling you all this, it is to put you on your guard.

Above all, do not sleep too soundly because everything is going to loom up when you no longer expect anything bad. I am the Light of the world and whoever follows Me does not remain in the darkness.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1994, vol. 2, p. 219)

Children of the whole world, God wants to save you.

Stop fleeing Me and struggling against Me, for you are destroying yourselves. Stop serving the Devil for he is avid of easy prey that he leads to nothingness... without God.

Little children, react quickly for the Devil is preparing his final attack, still more terrifying than the previous ones, while waiting for

God's Reign on your Earth.

And I will let this happen for man deserves his proper punishment. He alone punishes himself. Quickly, come back to God.

I will stretch out My Hand and shout, "its enough!" And man will begin to obey Me; this will be obedience to God. Man will have to admit that he is a sinner; he will have to see his sin in all its horror. He has blasphemed, dirtied and ridiculed My first Commandment:

God must be glorified and adored.

In order for all of you to receive My Forgiveness; **your brothers must be loved as God loves you, each one, individually.**

It is then that I will extend My Hand to stop the wrath of all nature and the fury of all the elements unleashed.

Yes, the balance of the world has been broken. It is up to you to work so everything is replaced on the central and principal pillar,

Jesus Christ, Eternal God,

Redeemer and Centre of the entire universe.

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1994, vol.2, p. 93)

God wants to save you at all cost from this unnamed disaster that Satan is preparing with delight, to lose the greatest number of souls possible.

I will not let him finish his morbid idea of destruction. **I will intervene just in time** - but, my cherished children, the evil will have begun and will already be very strong, - *in*

order that no child contests that God has intervened in this unbounded torment, for not a single one would be able to escape from this pile of smoking ruins, if your God of Love did not put His Hand in this appalling turmoil.

I tell you all that because My children must be valiant and they should all know that Jesus cannot let them perish and be owned by the prince of darkness. You must understand where his malice has taken you. Then you will know that only God can get you out of there and then, you will give Me the Name that delivers from all evil and which leads to Life, the True Life, which is your life in My Life, in the Life of your eternal and immutable God for ever and ever.

Never again will the name of the enemy be pronounced for I will banish even his name from your minds.

You will be My children and I will be Your Father, Your beloved God, triumphing over Evil.

I am Jesus of Nazareth; My Name is in all your hearts and it will be for all eternity, for there is no other Name that saves, in Heaven as on Earth.

In this chaos, your souls will find Me again. Jesus will always be there and will keep you under his wing. My Holy Mother will also be close to you. You will have the impression of living a nightmare lasting for some time though you will see it only for an instant for My children to be able to call Me. I am the Life and in this chaos My Love will enlighten you.

The Divine Mercy will put everything back in place. The Reign of God will be done with joy and never again will such horror be seen, for Jesus has promised it:

**“I will come back in My Glory
and My Reign will never end”**

(J.N.S.R., *Témoins de la Croix*, F.-X. de Guibert, France, 1993, tome 1, pp. 40-41)
