

Mercy or Justice

«Write down these words, My daughter. Speak to the world about My mercy; let all mankind recognize My unfathomable mercy. It is a sign for the end times; after it will come the day of justice. While there is still time, let them have recourse to the fount of My mercy; let them profit from the Blood and Water which gushed forth for them.» (p. 307)

«In the Old Covenant, I sent prophets wielding thunderbolts to My people. Today I am sending you with My mercy to the people of the whole world. I do not want to punish aching mankind, but I desire to heal it, pressing it to My Merciful Heart. I use punishment when they themselves force Me to do so; My hand is reluctant to take hold of the sword of justice. Before the Day of Justice I am sending the Day of Mercy.» (p. 508)

«And Me, the Lord, God and Master of all things, I declare war on evil because the time to eradicate it from My creation has come and it is Me who open hostilities. It is Me who closes the doors of My fortress and it is Me who opens fire. It is still Me who will knock my adversaries over and it is Me who will renew creation. The time is ripe, the time has come to demonstrate My power and My anger. The time has come and I won't defer.» (p. 44)

« I looked at a beautiful gold Cup decorated with precious stones; it was full to the brim, if one would move it, it would surely spill.

- See how full it is? It is very near to spill over; it will only pour out on you, creation, revealing the anathema prophesied long ago; you will be plunged into darkness; it will come to you like a thief, unexpected.

I have been giving you warnings, I have been giving you signs to stay alert but you are rejecting them, you are unwilling to acknowledge the End of Times, no matter how much I try to warn you, your disbelief in Me is total; My Warning will be like a purge to convert you and this will be done out of great pity; alas for you, creation! Alas for you disbelievers who will intensify your disbelief and turn even more against Me; your spirit enveloped by obscurity will be pulled as in a current by Obscurity himself, creation! How I pity you, how I suffer to see you lost forever; My children in whom I breathed, raising you to life, consecrating you before you were born, return to Me! My Heart lacerates to see how many will be drawn in this current into total obscurity and eternal damnation!

Creation, although your sins are scarlet red I am all so willing to forgive you; come, come to Me, return to Me, your Father; I will welcome you and treat you a thousand times more lovingly than the father of the prodigal son; return to Me before My Cup brims over; return before My Justice blows on you, arousing limitless blisters upon you, scorching you and every other living thing around you; you would want to breathe but you will only inhale a scorching wind burning you inwardly and leaving you as a living torch!

Creation, understand how imminent this Hour has become, for today you see the trees still blooming, but tomorrow there will be none left; you will be covered by Satan's smoke, a deadly veil; do understand that these disasters and calamities are drawn upon you by your evil doings; by your apostasy, and by rebelling against Me; repent now that there is still time, convert now! I am ready to forgive you.» (July 3, 1988)

«It is the hour of darkness. A God is dying and the cross, the huge cross stands over the world. Who is insane enough to measure himself to the God of love and to want to take his place in the hearts of the men?

I will show my Power and I will destroy their idols. They will come back to Me in repentance, those which today scoff at Me and my pity will purify them, but woe to him who won't submit to my law of love, that one will be ruined.» (p. 513)

(*Marguerite, Message de l'Amour miséricordieux aux petites âmes, Éditions Jules Hovine, Belgique, 1973, 528 pages*)

«I, The Father, have given you My Son and you have neither listened to Him nor followed Him. I have given you My daughter Mary, the holiest of the saints, to teach you to love the Most Holy Trinity and you still do not understand just how far a Father's love can go.

Then, in order that My Son's reign comes on this ungrateful and apostate Earth, denying God, killing the faith of the little ones, not recognizing the Hand of God in all His Works, blaspheming the Holy Laws, contemptuous of His Holy Commandments, placing man on the throne of God by the power of money (no king on Earth can usurp the power and the glory of God), then the greatest on Earth will bend his knee before God.

Since you did not want to understand neither by My Son, nor by His Holy Mother, nor by My Voices on Earth, nor by My signs given profusely everywhere today, I will soon send this Purifying Fire that will spread across the Earth. Each one of you will receive this Fire, which will become Light or glowing embers and this Purifying Fire will consume all that does not come from God and will heal even the smallest fault of those who belong to God. Then the Earth will smell good; its perfume of purity will gladden all of Heaven, for the Spirit of Holiness will have filled every space, even the smallest and most ignored, with the holy scent of God.

God the Father will neither forget the penitent child, nor the wicked one, who has reformed. I will stand at the door of the Kingdom to welcome the prodigal child, for I know who has become love and I will take him in My arms. I am the Father of the multitudes.

Yes, He is coming, the Lord with His Merciful Justice. He is coming to govern the world and behold, rising over the mountains, is the Sun of Justice. Amen.»

(*J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1996, tome 3, p. 154*)

«The Sun of Justice will soon give each one a wake-up call and it will be powerful, like an echo from the heart of the valley, it will get louder and louder as it repeats itself. Some will be petrified by the strength of this power, for they have been sleeping frigidly like beasts in a state of hibernation.

You will then see what the Fire of Love will do to these frozen beings. Their hearts will melt in My Love. The one, who will resist Me, will destroy himself in the emptiness of eternal death.

For God is Life and comes to give Life to the profound sleeper as well as to the light sleeper. At the sound of My Voice, everyone will rise:

The good, to follow Me, the others, to be reduced to nothing.

Behold, I am coming.»

(*J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1994, tome 2, p. 128*)

«The time of My Return as well as the time of My Judgement has come. I will separate the good from the bad and I will assemble My true flock that will have remained faithful to Me until the end. My Return will be carried out in the greatest Light that will light all nations, the eternal Light of the Father.

All will see My Light come down from Heaven to Earth and come to astound the blasphemous, those who do not believe, those who have turned away from Me and those who have persecuted Me. My divine Light will lighten the hearts of the just and will give them the happiness and the joy of the presence of God within them.

My divine Light will blind Satan and all those who work for him; they will fall on their faces and understand that I have vanquished them by My Cross. I will give everyone a last chance for salvation, for My Heart overflows with Mercy. Those who have turned away from Me, but who, in the last moment, despite their impurities, will dare to implore My Forgiveness, My divine Heart will free them from the darkness and My Light will live within them for eternity. But those who, again at the last minute, reject Me, will not be able to enter My Kingdom and will pay their tribute in suffering to Satan, who will take them with him to hell.

My children, that is how My Return in Glory and the Judgement will take place on Earth, the Judgement of the heavenly Father.»

(Jean-Marc, Parole de la Très Sainte Trinité, Éd. Saint-Jean Évangéliste, France, 1996, tome 1, p. 119)

«My Glorious Return will not be buried, as you buried, the first time, the One who came to save you, the One who saved you despite all your ingratitude and your contempt.

I am coming back because you have not succeeded in killing the One who is Love.»

(J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1994, tome 2, p. 117)

«Today the Lord is at your door and no one will reject Me as I was rejected when the world received its divine King for the first time.

I am coming back and this time it will not be the same, because Jesus is coming back for ever Victorious over the devil, whom He will chain in front of you, so that he may perish before your eyes and may never again try to harm the children of God.»

(J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France 1996, tome 3, p. 77)

«My purification, with My Cross shining from within, will be like a torch that never goes out and whose fire will scorch the whole Earth.»

(Catalina, La Grande Croisade de l'Amour, Éd. du Parvis, Suisse, 1999, p. 169)

«The Cross leads to the resurrection.

The Cross will help the souls in their ascension.

The Cross will bring about the New Pentecost. (p. 39)

You were dead and I saved you.

You are dead and I am coming to save you.» (p. 19)

(Lucie, Abba, Père, Éd. Téqui, Paris, 1994, 190 pages)

«I am coming to make the greatest rescue that the world has ever seen since its beginning, for the most enormous shipwreck is getting ready.»

(J.N.S.R., Témoins de la Croix, Résiac, France, 1997, tome 4, p. 319)

«In this night of deep darkness, I will bring forth a Light; it is the Cross of the Lord, illuminated by His Glory. It will give Life there, where death reigned without God, rekindling God's Love in all souls, destroying the sleep that has fallen over all the Earth, getting heavier and heavier during the course of centuries, leading to the belief that man exists only for living, sleeping and eating. I have given you two thousand years of freedom for you to come back to Me,

healed of this false idea. The Cross is coming to tell each and everyone of you that God has sent into the world His Only Son conceived by the Holy Spirit, born of the Virgin Mary, the Most Pure. Jesus made Himself Man in order to show you the Way of return to the Father, sanctified to live the Life for which you were all created.

Jesus tells you, "I am the Way, the Truth and the Life". Your life has a profound meaning. However small and insignificant you believe it to be, life on Earth must be lived in a profound search, for it is the beginning of the True Life in God. It will continue, going as far as taking you into the eternal Kingdom, where Life will start its true Time, where there is neither space nor limits anymore. Then you will know why you were born: Your Life is with the Father for eternity.» *(J.N.S.R., Témoins de la Croix, Résiac, France, 1997, tome 4, pp. 267-268)*

«In a little while, things will change, like a tomorrow that brings new hope for life, even if your hearts are sad to see what's happening through the negligence and senseless pride of man. Do not be afraid, I will come to calm all your spirits and bring My Life there where death has settled and I will chase it away forever, because God wants no obstacle to His reign of Love on Earth.

I am preparing the threshing floor and I have given orders to My angels to remove all the straw and bad weeds that have mixed with the good grain in the course of centuries. For everything must be renewed, everything must stay good and beautiful, and what remains will be thrown in the eternal fire. My angels are making sure that each one of you knows in his heart My Words, which are the warnings of these times.

No one will be able to say that he has not received My Message of life and hope in his heart. You are all informed. You must all change your way of living, becoming better and coming back to God without expecting any compromise. God is Unique and accepts no half measures from His children. He wants them all to be with Him.

In the silence of your heart, I will tell you how much I love you and you will feel the need to forgive each of your brothers, for each is My child, and a Father is very unhappy to see His sons fight amongst themselves. Stay then in My holy obedience. Called to My Holy Cross, you will come, because it is there that My Holy Heart wants to question you. You will hear Me just as the wind on the plain makes all of it quiver at the same time.

I will make your souls vibrate with happiness and My Spirit will tell you what I'm preparing for the times that are coming. As young horses, impatient to take off across new ground, you will capture My Message and you will put it into practice. God will teach the child as well as the adult. When I will speak everything must be known, everything must be revealed. You will drink in My Words and you will soon see, for I will remove the veil from everything that remains hidden from man, for man will no longer have the time to temporize anymore.»

(J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1994, tome 2, pp. 105-106)

«No one will be able to say that he has not received a warning coming from My very Holy Mother and from My prophets before I give that which will make a resounding echo across mountains, plains, frozen wastes, hot countries, islands; yes, all the continents; yes, all the land in the whole world, from North to South, East to West: everything and everyone will shake at the sound of My Voice, realizing that I am coming to deliver this terrible warning, unique, majestic, unforgettable.

God will warn you that He is: I Am, the God of Abraham, of Isaac, of Jacob.

He is the One who tells you: I Am.»

(J.N.S.R., Témoins de la Croix, Résiac, France, 1997, tome 4, p. 249)

«When the devil swore to unleash himself on the Earth, I swore to save the world. I saved it by dying on the Cross. I will save it again by My tenderness. [...]

I am coming then, not to punish but to set you right with Love. I am coming to offer mercy again, so that only those, who do not wish to live, may perish, and only those who hate Me may return to death.

I am coming, not to judge, but that there be Justice. I will console, I will comfort, and I will heal with kindness and benevolence.

But I will not let the evil continue. I will condemn those who oppose Me and ceaselessly defy Me. They will excommunicate themselves, by their own will.

Then, little child, work there where I ask you to, redress the hearts and overthrow the evil, which is enthroned in My sanctuary.

Blazing fires will flare up when this evil is overthrown and My Church will be triumphant in a way it has never known.»

(Françoise, Message de Conversion des coeurs, Éd. du Parvis, Suisse, 1998, tome 2, p. 111)

«My Church will live unforgettable moments, greater than the “Hosanna” of Palm Sunday, greater than the eternal minutes of My Transfiguration, greater than My Holy Baptism in the Jordan, greater than anything that you have known until now. It is as the day of My Holy Birth, the day when God was made Man in order to live with you, among you.

It is thus that you will live these moments. It is My Coming in glory. And you will see the Son of God in the midst of His Church, descended on Earth. My cradle is all of you. Open your hearts to receive Me. Hold out your hands to welcome Me. I come to espouse all My members: “Behold My Body”. I come to give you My Life: “ Behold My Blood”. I reunite you in Me. In the name of the Father, the Son and the Holy Spirit.»

(J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1994, tome 2, pp. 160-161)

«My Church still sleeps on My Holy Heart. It receives My strength. Within it, are My faith, My charity and My hope. It will listen to Me, adore Me and will live of My Life.

I protect it. It will announce Me. Oh! My perfect Church, simple and radiant from My day of Glory! Soon you will reveal your face to the eyes of the world. You will remove the grey veil and your Light will be as dazzling as the Light of My Glorious Holy Cross, like the Glorious Resurrected One. Church, you are the garden of My saints. You are born of My Blood, nourished by My Flesh. You carry My Life to give it to all My children. Holy Church, how beautiful you are, thus adorned to receive Me, you are at My feet; chaste as a fiancée, you look at Me.

Here you are submissive to your God. You burn with the same flame as that of My Holy Heart. You call Me, “My God, My King, My Lord.” I call you, “My daughter and My beloved spouse.” Contemplate My Cross, which rises up to Heaven to unite Heaven and Earth in an eternal union like you, My Holy Church, are united henceforth with your God for eternity.

Martha and Mary will be united. The militant and mystic Church will reach perfection. Peoples will be as brothers, for they have the same Father. The Church will be One, as is its Unique and True God.»

(J.N.S.R., Témoins de la Croix, F.-X. de Guibert, France, 1994, tome 2, p. 177)

«My Justice will prevail when everything else will have been tried in vain.» (p.521)

«The wind of madness which erupts on the world will quiet down and will swallow up into the bottomless abysses from which one does not come back, drawing away with it the rebels to

My law. The calm always returns after the storm. The divine fire which smoulders under the ash will spring up again and will cover the earth of its deep flame of love.» (p.522)

«A day, a God burning of Love created the world to give to this Love a reason d'être. This world didn't cease disappointing its Creator.

Today, measure has reached its limit, and if the world doesn't convert, it will undergo the punishment of its perfidy. It will go back to nothingness from where I drew it.

Men have forgotten that they are only dust and ashes. The earth won't contain more than dust and ashes. But on these ruins, My Love will reappear more alive and more luminous than ever. It will find in appeased souls the fullness of its creative and saving action.» (p.526)

«You see this small flame, it is the Church. Is she going to die out?

She wavers, she arrives at the extreme limit of life. But all of a sudden the breath of the Spirit reanimates this small flame. She won't die out, she will increase and will light all nations. Do not fear anything My child, I am still there, and My Church won't perish.» (p.516)

«I will give them the sign of Jonah and I will challenge them **as at Nineveh**. I will listen to their complaint but, without their return to God, this people will disappear, for at that moment they will have all the knowledge they need, and their choice will be decisive.»

«What do you choose? My Light or the darkness?

Now, you know Me: I am the Light of the World, I am the Truth; and you cannot temporize anymore. (...)

To those, whose incomprehension is winning and who are not yet ready to follow Me, I will grant **a short time**, which time, I will utilize for this:

I am remaking My government and Heaven and Earth will be one in My holy eternal Glory, My new Earth and My new Heavens.»
