

The New Pentecost :

Time of Mercy and Time of Justice

PROPHECIES OF JEANNE LE ROYER OF FOUGERES «Sister of the Nativity» (1731/1798)

«Woe ! Woe ! Woe to the last century !

Here is what God wanted to show me in his Light. I began looking in the light of God, the century which must begin in 1800; I saw by this light that judgement wasn't there, and that it wouldn't be the last century. I considered, thanks to the same light, the century of 1900, until the end, to see positively if it would be the last. Our Lord made me know, and at the same time made me doubt, if it would be at the end of the century of 1900, or in that of 2000. But what I saw, it is that if the judgment arrived in the century of 1900, it would come only towards the end, and that if the world exceeds this century, **the first two decades of the century of 2000 will not pass without the judgment intervening**, as I saw it in the light of God.»

(Vie et Révélations de Sœur de la Nativité, tome IV, pp. 125-126)

«The world is passing away and the time of my coming draws near. When the sun is about to set, one knows that the day is nearly over and that night will soon fall. Centuries are like days for Me. Look at this sun; see how much it still has to travel and estimate the time that is left in the world.»

I looked intently and it seemed to me that the sun would set in about 2 hours. To a question of the sister, Jesus said: “Do not forget that those are not milleniums but only centuries and they are few in number.”

PROPHECIES OF MARTHE ROBIN (1902/1981)

<http://prophetesetmystiques.blogspot.com/search/label/MARTHE%20ROBIN>

«I play with the plans of mankind; my right hand prepares miracles and My Name will be glorified in the whole world. The more mankind will be hostile to all that is supernatural, the more pleasure I will take in breaking the pride of the irreligious; the fact will be all the more admirable and extraordinary. Instead of the throne of the beast will be raised two glorious thrones: that of Sacred Heart of Jesus and that of Mary's Immaculate Heart.

It will be recognized that neither the human will, neither the devils, nor the genius of industry will put an end to the war and that it will end only when reparation is accomplished.

«Be courageous! The Kingdom of God is near. It will begin with something that will come so suddenly as to be unexpected.»

«France will sink really low, lower than the other nations, because of its pride and of the bad leaders whom she will have chosen. She will have her nose in the dust. Nothing will be left. But in her distress, she will remember God and will cry out to Him, and the Holy Virgin will come to save her. Then, France will rediscover her mission as the eldest daughter of the Church, and become the place for the greatest effusion of the Holy Spirit, and will once again send her missionaries out into the world.»

Philippe, a resident of Foyer de Charité de Châteauneuf-de-Galaure, declared: «I personally met Martha three times, and I heard with my own ears the Father Finet said:

«**Marthe Robin is predicting that there will be an economic krach, and thereafter there will be the great Pentecost of love, and then that all the Christians will live in community.**»

PROPHECIES OF BLESSED ELENA AIELLO (1895/1961) Nun, Foundress of The Sister Minims, STIGMATIZED

<http://prophetesetmystiques.blogspot.com/search/label/ELENA%20AIELLO>

«People are offending God too much. Were I to show you all the sins committed on a single day, you would surely die of grief.

These are grave times. The world is thoroughly in a state of disarray because it is in a worse condition than that of the time of the Great Flood. Materialism moves forward and continues its path marked by blood and fratricidal struggles. There are obvious and dangerous signs for peace. The punishment passes over the world as the shadow of a threatening cloud, to show to mankind that the justice of God glides over it and that the power of the Mother of God still slows down the bursting of the storm. All is suspended like from a thread: when this thread will break, Divine Justice will fall on the world and then it will be the great purification. All the nations will be punished because innumerable are the sins which, like a tide of rubbish, have covered the earth. The forces of evil are ready to break out in each part of the world, with a terrible violence. This will result in an unimaginable distress.

It has been for the longest time that I have warned mankind, in several ways, the governments of the people, informing them of the serious threats which weigh on them; but they don't want to admit that, to avoid the punishment, it is necessary to make society go back to leading a Christian life. How much my heart is saddened to see that mankind doesn't even think of returning towards God anymore! But time is counted: the whole world will be upset. Much blood will be shed: righteous men, innocent persons, holy priests, and the Church herself will suffer greatly. Hatred will reach its peak.

«A godless propaganda is spreading in the world with its countless errors, generating even persecutions, ruins and death. If mankind does not cease offending my Son, the time of justice of the Father will draw closer on earth and the punishment it deserves will be the greatest punishment that mankind has ever known. **When an extraordinary sign will appear in the sky, mankind will know that the punishment of the world is close.**» (January 7, 1950)

«Italy will be humiliated, purified in blood, and must suffer much because the numerous sins of this beloved country, seat of the Vicar of Christ. You cannot imagine what will happen! There will be a great revolution and streets will be red with blood. The Pope will suffer much, and all this suffering will be like an agony, which will shorten his earthly pilgrimage. His successor will guide the boat in the storm.»

«However the punishment of the impious will not be delayed. That day will be most feared in the world! The earth will tremble, all humanity will be shaken! The wicked and the obstinate will perish in the tremendous severity of the justice of the Lord. Send a message to prevent this immediately, as long as it is possible, all people of the earth, so that they may return to God by prayer and penance.»

«Satan reigns and triumphs on earth! See how the souls are falling into Hell. See how high the flames are, and the souls who fall into them like flakes of snow look like transparent embers! How many sparks! How many cries of hate, and of despair! How much pain!

«See how many priestly souls! Look at the sign of their consecration in their transparent hands! (In the palms of their hands the sign of the cross, in more vivid fire, could be seen!) What torture, My daughter, in My Maternal Heart! Great is My sorrow to see that men do not change! The justice of the Father requires reparation -- otherwise many will be lost!»

«See how Russia will burn! » Before my eyes there extended an immense field covered with flames and smoke, in which souls were submerged as if in a sea of fire!

«And all this fire, concluded the Madonna, is not that which will fall from the hands of men, but will be hurled directly from the Angels (at the time of the great chastisement or 'housecleaning' that will come upon the earth). Therefore, I ask prayers, penance and sacrifice, so I may act as Mediatrix for My Son in order to save souls.» (April 7, 1950: Holy Friday)

«I want that everybody be aware that the chastisement is close: a fire never seen before will go down on the earth and a large part of mankind will be destroyed ... Those who will remain will be under the protection of the mercy of God, while all those who do not want to repent of their faults will perish in a tide of fire!... Russia will be almost completely burned. Some nations will disappear. Italy will be in part saved by the Pope.» (April 11, 1952)

«So ungrateful have they become towards My Sacred Heart and abusing of My graces, they have converted the world into a scene of crimes. Innumerable scandals carry souls to their ruin, especially the souls of the youth. They have given themselves, without restraint, to the pleasures of the world which have degenerated into perversions.

The bad example of parents produces, within families, scandals and infidelities, rather than the practices of virtues and of prayer. The home, source of faith and holiness, has become soiled and corrupted. The wilfulness of men does not change and they stubbornly continue in their sins. The punishments and afflictions God sends to make them become reasonable are severe, but men are enraged as if they were wounded beasts, and harden their hearts against the grace of God.

Clouds with lightening rays of fire and a tempest of fire will pass over the whole earth and the punishment will be the most terrible ever known in the history of mankind. It will last 70 hours. The wicked will be crushed and eliminated. Many will be lost because they stubbornly remained in their sins. Then the power of light on darkness will be seen. "I am bending over the world and holding in suspension the justice of God; otherwise, these things would have already happened. Prayer and sacrifices are needed. Mankind must return to God and to My Immaculate Heart, Mediatrix for all; then, at least, part of the world will be saved.»

(Holy Friday, april 16, 1954)

«The world no longer merits pardon, but deserves fire, destruction and death. There must be much penance and prayers by the faithful to mitigate the deserved chastisement which is only delayed thanks to the intervention of My dear Mother, who is the Mother of all mankind. Near at hand is the scourge that will cleanse the earth of evil! Divine Justice clamors for satisfaction for the many offenses and evils which cover the earth. No more can be tolerated. Obstinate men, hardened in their faults, do not turn to God.

«The people do not subject themselves to the Church and despise the priests because there are so many among them who are the cause of scandals. Listen well to what I have to tell you and announce it to everyone. My heart is saddened by the many afflictions which threaten the world. The justice of our Heavenly Father is gravely offended. Mankind persists in living in their sins...»
(April 16, 1954)

«The world is flooded by a deluge of corruption. The governments of the people have arisen as demons in human flesh and even though they speak of peace, they prepare for war with devastating weapons that can annihilate whole peoples and nations.»
(April 16, 1954)

«The wrath of God is near and the world will be afflicted with great calamities, bloody revolutions, strong earthquakes, starvations, epidemics and by frightful hurricanes overflowing rivers and seas! The world will be overturned in a new and more terrible war. The most lethal weapons will destroy people and nations. The dictators of the earth, infernal creatures, will demolish the churches and desecrate the Holy Eucharist, and will destroy things most dear. In this impious war, because of the fierce impulse and of the bitter resistance of many, all that was made from the hand of men will be pulled down.

Clouds with lightening rays of fire and a tempest of fire will pass over the whole world. The terrible punishment, as never seen before in the history of mankind, will last seventy hours. The wicked will be crushed and eliminated. Many will be lost because they stubbornly remain in their sins. Then they will feel the force of light over darkness.»
(April 16, 1955)

The times are grave. The whole world is in turmoil, because IT HAS BECOME WORSE THAN AT THE TIME OF THE GREAT FLOOD ! Everything is hanging as by a thread; when this thread will break, the justice of God, like a clap of thunder, will carry out its terrible purification.»

Sister Elena asked, «What will become of Italy?»

«Italy, my daughter, will be humiliated, purified in blood, and must suffer a lot, because numerous are the sins of this beloved country, seat of the Vicar of Christ. You cannot imagine what will happen! In those sad days there will be much anguish and weeping. There will be a great revolution, and streets will be red with blood.»

«However the punishment of the impious will not be delayed. That day will be the most fearful in the world! The earth will tremble, all humanity will be shaken!»

(Decembre 8, 1958 : Feast of the Immaculate Conception)

«There will be a true and great duel between Me and Satan... The materialism advances quickly in all the nations and continues its path marked of blood and death! ... If people do not return to God with truly Christian living, another terrible war will come from the East to the West, a war of death and terror, and finally the purifying fire will fall from the Heavens, like a snowstorm, on all peoples, and a great part of humanity will be destroyed!

«Russia will march upon all the nations of Europe, particularly Italy, and will raise her flag over the dome of St. Peter's... "I will manifest my partiality for Italy, which will be preserved from the fire, but the skies will be covered with dense darkness, and the earth will be shaken by fearful earthquakes which will open deep abysses. Provinces and cities will be destroyed, and all will cry out that the end of the world has come! Even Rome will be punished according to justice for its many and serious sins, because the scandal has reached its peak." However the good ones which will suffer and who will be persecuted by justice, and the righteous souls should not fear, because they will be separated from the irreligious people and from the stubborn sinners, and saved!» (1959)

«Russia will march upon all the nations of Europe, particularly Italy, and will raise her flag over the dome of St. Peter's. Italy will be severely tried by a great revolution and Rome will be purified in blood for its many sins, especially those of impurity. The flock is about to be dispersed and the Pope will suffer greatly.» (1959)

«People pay no attention to My motherly warnings, and thus the world is falling headlong into an abyss of iniquity. Nations shall be convulsed by terrible disasters, causing destruction and death.

«Russia, spurred on by Satan, will seek to dominate the whole world and, by bloody revolutions, will propagate her false teachings throughout all the nations, especially in Italy. The Church will be persecuted and the Pope and the priests shall suffer much.»

«Oh, what a horrible vision I see! A great revolution is going on in Rome! They are entering the Vatican. The Pope is all alone; he is praying. They are holding the Pope. They take him by force. They knock him down to the floor. They are tying him. Oh, God! Oh, God! They are kicking him. What a horrible scene! How dreadful! Our Blessed Mother is drawing near. Like corpses those evil men fall down to the floor. Our Lady helps the Pope to his feet and, taking him by the arm, She covers him with her mantle saying: Don't be afraid!»

Flagstaffs (flying the Red Flag over St. Peter's dome and elsewhere); annihilation and seduction have gone out of the clubs of these sinister brutes. These atheists are ever shouting: We don't want God to rule over us; we want Satan to be our master!»

«My daughter, Rome will not be saved, because the Italian rulers have forsaken the Divine Light and because only a few people really love the Church. But the day is not far off when all the wicked shall perish, under the tremendous blows of Divine Justice.» (Holy Friday, 1961)
